Noah Green Saves the World by Laura Toffler-Corrie

Illustrations by Macky Pamintuan

Summary:

Noah was hoping to go to film camp this summer, but instead, he's being sent to Camp Challah, where his parents want him to make some real friends. Noah's grandfather has other plans for him, though. Pops, who claims he used to be a secret agent, says he needs Noah's help on a mission to save the world.

As Noah and his bunkmates uncover mysterious goings-on at Camp Challah, Noah starts to suspect that they're connected to Pop's mission. But what are the chances that Noah can finish filming his magnum opus, earn the friendship of his fellow campers, and save the whole world in just a few weeks?
